It is time for our “Shipwrecked: Rescued by Jesus” Vacation Bible School June 11th-15th from 9am-Noon! We want to THANK YOU for your support in ways of donations and/or volunteering, and we have one final request to help our VBS to be a success. Will you please pray for our VBS this week? Maybe pray for one of these letters each day this week?

P – Pray for Our People. First of all, please pray for the workers and church staff. It is a fun week, but can be exhausting for adults and youth volunteers. Pray for the patience and love of the Lord Jesus to flow through each servant so that they will see the children through the eyes of God. Then pray for the little ones – For those feet that run down the halls, the hands smeared with paint and markers, the heads sweaty from outdoor play, the minds offered truth from God’s Word, the eyes watching to see what love looks like, and the ears hearing how vastly God loves them.

R – Routines/Schedules/Rotations. Pray for smoothness and ease of routines, rotations, and transitions. Pray that the “bumps” along the way will be quickly smoothed. Thank the Lord for going before each day, and thank God for already having a plan to work it all into something good and glorious.

A – Activities. Pray that in each activity – in each Bible story, mission lesson, project, recreation time, and snack time – God will make His message of love and redemption clear. Through play-dough and songs, snacks and commotion, may God’s truth root deeper in each tender heart.

Y – Yielded Hearts and Lives. Most importantly, ask God to soften hard hearts, mend broken hearts, and make brittle hearts pliable to His Word and Ways. A heart yielded to God, at any age is a beautiful gift to Him.
